(To be continued if necessary on a separate sheet)

P.T.O.

Whether the transfer is desired by the villagers and has the consent of the Collector.	Yes.

Special reasons for transfer.

The proposal for the transfer of 5 villages mentioned overleaf emanated in a periodical conference of the officials and non-officials of the South Kanara Dt. The Collector recommended the proposal. Of the five villages referred to, Hebri, Chara and Kerabattu are nearer to Brahmawar than to Sankaranarayana while the other 2 villages, Belanji and Kuchur are at a greater distance to Brahmawar than to Sankaranarayana. But all the villages will get the distinct advantage of a direct motor bus communication to Brahmawar which is not available to Sankaranarayana. Further the villagers going to Sankaranarayana have to cross the Haladi stream which is not fordable in the rainy season. The additional distance need not therefore be considered as undesirable and/may the proposal fore be sanctioned.

The work in either offices will not be affected by the transfer.
